IMPORTANT NOTICE

This Information Memorandum (together with any supplementary information memorandum and information incorporated herein by reference, the "Information Memorandum") contains summary information provided by La Banque Postale (the "Issuer") in connection with a euro-commercial paper programme (the "Programme") under which the Issuer may issue and have outstanding at any time euro-commercial paper notes (the "Notes") up to a maximum aggregate amount of €10,000,000,000 or its equivalent in alternative currencies. Under the Programme, the Issuer may issue Notes outside the United States pursuant to Regulation S ("Regulation S") of the United States Securities Act of 1933, as amended (the "Securities Act"). The Issuer has, pursuant to an amended and restated dealer agreement dated 6 September 2021 (the "Dealer Agreement"), appointed Barclays Bank Ireland PLC as arranger for the Programme (the "Arranger"), appointed Barclays Bank Ireland PLC, BNP Paribas, Citigroup Global Markets Europe AG, Citigroup Global Markets Limited, ING Bank N.V., J.P. Morgan AG, J.P. Morgan Securities plc, La Banque Postale, NatWest Markets N.V. and UBS Europe SE as dealers for the Notes (together with any further dealers appointed under the Programme from time to time, the "Dealers") and authorised and requested the Dealers to circulate the Information Memorandum in connection with the Programme on their behalf to purchasers or potential purchasers of the Notes.

In accordance with the Short-Term European Paper ("STEP") Initiative, this Programme has been submitted to the STEP Secretariat in order to apply for the STEP label in respect of Notes to be issued with a maturity of not more than 364 days from and including the date of issue to but excluding the maturity date. The status of STEP compliance of this Programme can be determined from the STEP market website (www.stepmarket.org).

THE NOTES HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE SECURITIES ACT OR ANY U.S. STATE SECURITIES LAWS AND MAY NOT BE OFFERED, SOLD OR DELIVERED WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT) ("U.S. PERSONS") UNLESS AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT IS AVAILABLE AND IN ACCORDANCE WITH ALL APPLICABLE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND ANY OTHER JURISDICTION.

The Notes have not been approved or disapproved by the United States Securities and Exchange Commission or any other securities commission or other regulatory authority in the United States, nor have the foregoing authorities approved this Information Memorandum or confirmed the accuracy or determined the adequacy of the information contained in this Information Memorandum. Any representation to the contrary is unlawful.

The Issuer has confirmed to the Arranger and the Dealers that the information contained or incorporated by reference in the Information Memorandum is true and accurate in all material respects and not misleading and that there are no other facts the omission of which makes the Information Memorandum as a whole or any such information contained or incorporated by reference herein misleading.

None of the Issuer, the Arranger or the Dealers accepts any responsibility, express or implied, for updating the Information Memorandum and neither the delivery of the Information Memorandum nor any offer or sale made on the basis of the information in the Information Memorandum shall under any circumstances create any implication that the Information Memorandum is accurate at any time subsequent to the date hereof with respect to the Issuer

or that there has been no change in the business, financial condition or affairs of the Issuer since the date hereof.

No person is authorised by the Issuer to give any information or to make any representation not contained in the Information Memorandum and any information or representation not contained therein must not be relied upon as having been authorised.

Neither the Arranger nor any Dealer has independently verified the information contained in the Information Memorandum. Accordingly, no representation or warranty or undertaking (express or implied) is made, and no responsibility or liability is accepted by the Arranger or the Dealers as to the authenticity, origin, validity, accuracy or completeness of, or any errors in or omissions from, any information or statement contained in the Information Memorandum or in or from any accompanying or subsequent material or presentation.

The information contained in the Information Memorandum is not and should not be construed as a recommendation by the Arranger, the Dealers or the Issuer that any recipient should purchase Notes. Each such recipient must make and shall be deemed to have made its own independent assessment and investigation of the financial condition, affairs and creditworthiness of the Issuer and of the Programme as it may deem necessary and must base any investment decision upon such independent assessment and investigation and not on the Information Memorandum.

Neither the Arranger nor any Dealer undertakes to review the business or financial condition or affairs of the Issuer during the life of the Programme, nor undertakes to advise any recipient of the Information Memorandum of any information or change in such information coming to the Arranger's or any Dealer's attention.

Neither the Arranger nor any of the Dealers accepts any liability in relation to this Information Memorandum or its distribution by any other person. This Information Memorandum does not, and is not intended to, constitute an offer or invitation to any person to purchase Notes. The distribution of this Information Memorandum and the offering for sale of Notes or any interest in such Notes or any rights in respect of such Notes, in certain jurisdictions, may be restricted by law. Persons obtaining this Information Memorandum or any Notes or any interest in such Notes or any rights in respect of such Notes are required by the Issuer, the Arranger and the Dealers to inform themselves about and to observe any such restrictions. In particular, but without limitation, such persons are required to comply with the restrictions on offers or sales of Notes and on distribution of this Information Memorandum and other information in relation to the Notes and the Issuer set out under "Selling Restrictions" below.

No application will be made at any time to list the Notes on any stock exchange. A communication of an invitation or inducement to engage in investment activity (within the meaning of Section 21 of the Financial Services and Markets Act 2000 (the "FSMA")) received in connection with the issue or sale of any Notes will only be made in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer.

Singapore SFA Product Classification – In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the "SFA"), unless otherwise specified before an offer of Notes, the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Notes are "prescribed capital markets products" (as defined in the Securities and Futures (Capital Markets Products) Regulation 2018 of Singapore).

MIFID II product governance / Professional investors and Eligible Counterparties only target market

Solely for the purposes of the Issuer's product approval process in respect of a particular Note issue, the target market assessment in respect of any of the Notes to be issued off this Programme has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, "MiFID II"); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a "distributor") should take into consideration the Issuer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the Issuer's target market assessment) and determining appropriate distribution channels.

Solely by virtue of appointment as Arranger or Dealer, as applicable, on this Programme, neither the Arranger nor the Dealers nor any of their respective affiliates will be a manufacturer for the purpose of EU Delegated Directive 2017/593 and/or the FCA Handbook Product Intervention and Product Governance Sourcebook.

Tax

No comment is made, and no advice is given by the Issuer, the Arranger or any Dealer in respect of taxation matters relating to the Notes and each investor is advised to consult its own professional adviser.

Differences between the Notes and bank deposits

The Notes do not constitute bank deposits and do not benefit from any protection provided pursuant to Directive 2014/49/EU of the European Parliament and of the Council on deposit guarantee schemes or any national implementing measures implementing this Directive in France. In addition, an investment in the Notes may give rise to yields and risks that differ from a bank deposit. For example, the Notes are expected to have greater liquidity than a bank deposit since bank deposits are generally not transferable. However, the Notes may have no established trading market when issued, and one may never develop. Further, as a result of the implementation of Directive 2014/59/EU of the European Parliament and of the Council establishing the framework for the recovery and resolution of credit institutions and investment firms ("BRRD"), holders of the Notes may be subject to write-down or conversion into equity on any application of the general bail-in tool and non-viability loss absorption under BRRD.

In the Information Memorandum, references to "euros", "EUR" and "€" are to the lawful currency introduced at the start of the third stage of European Economic and Monetary Union pursuant to the Treaty on the Functioning of the European Union, as amended from time to time; references to "Sterling" and "£" are to pounds sterling; references to "U.S. Dollars" and "U.S.\$" are to United States dollars and references to "JPY" and "¥" are to Japanese Yen.

Documents Incorporated By Reference

The most recently published audited financial statements of the Issuer and any subsequently published interim financial statements (whether audited or unaudited) of the Issuer (including

the notes and auditors' report in respect thereof) shall be deemed to be incorporated in, and to form part of, this Information Memorandum.

Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Information Memorandum.

Each Dealer will, following receipt of such documentation from the Issuer, provide to each person to whom a copy of this Information Memorandum has been delivered, upon request of such person, a copy of any or all the documents incorporated herein by reference unless such documents have been modified or superseded as specified above. Written requests for such documents should be directed to the relevant Dealer at its office as set out at the end of this Information Memorandum.

[Not Applicable]

1. For value received, La Banque Postale (the “Issuer”) promises to pay to the bearer of this Global Note on the Maturity Date the Final Redemption Amount, together with interest thereon at the rate and at the times (if any) specified herein.

All such payments shall be made in accordance with an issue and paying agency agreement dated 6 September 2021 (as amended, restated or supplemented from time to time, the “Agency Agreement”) between the Issuer and the issuing and paying agent referred to therein, a copy of which is available for inspection at the offices of BNP Paribas Securities Services, Luxembourg Branch (the “Issuing and Paying Agent”) at 60, avenue J.F. Kennedy, L-2085 Luxembourg, with postal address L-2085 Luxembourg, and subject to and in accordance with the terms and conditions set forth below. All such payments shall be made upon presentation and surrender of this Global Note at the office of the Issuing and Paying Agent referred to above by transfer to an account denominated in the Specified Currency maintained by the bearer with (i) a bank in the principal financial centre in the country of the Specified Currency or, (ii) if this Global Note is denominated or payable in euro by transfer to a euro account (or any other account to which euro may be credited or transferred) maintained by the payee with, a bank in the principal financial centre of any member state of the European Union.

Notwithstanding the foregoing, presentation and surrender of this Global Note shall be made outside the United States and no amount shall be paid by transfer to an account in the United States, or mailed to an address in the United States. In the case of a Global Note denominated in U.S. dollars, payments shall be made by transfer to an account denominated in U.S. dollars in the principal financial centre of any country outside of the United States that the Issuer or Issuing and Paying Agent so chooses.

2. If this Global Note is not a New Global Note, this Global Note is issued in representation of an issue of Notes in the aggregate Nominal Amount.

If this Global Note is a New Global Note, this Global Note is issued in representation of an issue of Notes in an aggregate nominal amount as from time to time entered in the records of both Euroclear Bank SA/NV (“Euroclear”) and Clearstream Banking S.A. (“Clearstream”, and together with Euroclear, the international central securities depositaries or “ICSDs”). The records of the ICSDs (which expression in this Global Note means the records that each ICSD holds for its customers which reflect the amount of such customers’ interests in the Notes (but excluding any interest in any Notes of one ICSD shown in the records of another ICSD), shall be conclusive evidence of the principal amount of Notes represented

by this Global Note and, for these purposes, a statement issued by an ICSD (which statement shall be made available to the bearer upon request stating the principal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the ICSDs at that time.

In either such case, the nominal amount of the Notes represented by the Global Note is defined herein as the "Nominal Amount".

3. All payments in respect of this Global Note by or on behalf of the Issuer shall be made free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, assessments or charges of any nature imposed, levied, collected, withheld or assessed by or on behalf of any jurisdiction or any political subdivision or taxing authority of or in any of the foregoing, unless such deduction or withholding is required by law.

If French law should require that payments in respect of any Global Note be subject to deduction or withholding in respect of any present or future taxes, levies, duties, assessments or charges of whatever nature ("Taxes"), the Issuer shall, to the extent permitted by applicable law or regulation, pay such additional amounts as shall be necessary in order that the net amounts received by the bearer of this Global Note after such deduction or withholding shall equal the amount which would have been receivable hereunder in the absence of such deduction or withholding, except that no such additional amounts shall be payable where this Global Note is presented for payment:

- (A) by or on behalf of a holder which is liable to such Taxes by reason of its having some connection with France other than the mere holding of this Global Note; or
- (B) more than 15 days after the Maturity Date or, if applicable, the relevant Interest Payment Date or (in either case) the date on which payment hereof is duly provided for, whichever occurs later, except to the extent that the holder would have been entitled to such additional amounts if it had presented this Global Note on the last day of such period of 15 days.

No additional amounts will be payable in case payments in respect of this Global Note by or on behalf of the Issuer are required to be withheld or deducted pursuant to sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "Code"), any current or future regulations or official interpretations thereof, any agreement entered into pursuant to section 1471(b) of the Code, or any fiscal or regulatory legislation, rules or practices adopted pursuant to any intergovernmental agreement entered into in connection with the implementation of such sections of the Code.

4. If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Global Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Global Note:

"Payment Business Day" means any day other than a Saturday or Sunday which is either (i) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in

the principal financial centre of the country of the relevant Specified Currency or (ii) if the Specified Currency is euro, a day which is a TARGET Business Day; and

“TARGET Business Day” means a day on which the Trans-European Automated Real-time Gross Settlement Express Transfer (TARGET2) System or any successor thereto, is operating credit or transfer instructions in respect of payments in euro.

Provided that if the Issuing and Paying Agent determines with the agreement of the Issuer that the market practice in respect of euro denominated internationally offered securities is different from that specified above, the above shall be deemed to be amended so as to comply with such market practice and the Issuing and Paying Agent shall procure that a notice of such amendment is published in accordance with paragraph 11(H) not less than 15 days prior to the date on which any payment in euro falls due to be made in such manner as the Issuing and Paying Agent may determine.

5. The payment obligation of the Issuer represented by this Global Note constitutes and at all times shall constitute a direct, unsecured and senior preferred (within the meaning of Article L.613-30-3-I 3° of the French *Code monétaire et financier*) obligation of the Issuer ranking at least *pari passu* with all present and future unsecured senior preferred obligations of the Issuer other than obligations mandatorily preferred by law applying to companies generally.
6. This Global Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
7. This Global Note is issued in respect of an issue of Notes of the Issuer and is exchangeable in whole (but not in part only) for duly executed and authenticated bearer Notes in definitive form (whether before, on or, subject as provided below, after the Maturity Date):
 - (A) if one or both of Euroclear and Clearstream, Luxembourg or any other relevant clearing system(s) in which this Global Note is held at the relevant time is closed for business for a continuous period of 14 days or more (other than by reason of weekends or public holidays, statutory or otherwise) or if any such clearing system announces an intention to, or does in fact, permanently cease to do business; or
 - (B) if default is made in the payment of any amount payable in respect of this Global Note.

Upon presentation and surrender of this Global Note during normal business hours to the Issuer at the offices of the Issuing and Paying Agent (or to any other person or at any other office outside the United States as may be designated in writing by the Issuer to the bearer) on behalf of the Issuer, the Issuing and Paying Agent shall authenticate and deliver, in exchange for this Global Note, bearer definitive notes denominated in the Specified Currency in an aggregate nominal amount equal to the Nominal Amount of this Global Note.

8. If, upon any such event and following such surrender, definitive Notes are not issued in full exchange for this Global Note before 5.00 p.m. (Paris time) on the thirtieth day after surrender, this Global Note (including the obligation hereunder to issue definitive notes) will become void and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under a Deed of Covenant dated 6 September 2021 (as amended, restated or supplemented as of the date of issue of the Notes) entered into by the Issuer).

9. If this is an interest bearing Global Note, then:
- (A) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Global Note falling due for payment prior to the Maturity Date remains unpaid on the fifteenth day after falling so due, the Final Redemption Amount shall be payable on such fifteenth day;
 - (B) upon each payment of interest (if any) prior to the Maturity Date in respect of:
 - (1) this Global Note, Schedule 1 hereto shall be duly completed by the Issuing and Paying Agent to reflect such payment;
 - (2) this Global Note (if this Global Note is a New Global Note), details of such payment shall be entered pro rata in the records of the ICSDs; and
 - (C) if no Interest Payment Dates are specified on this Global Note, the Interest Payment Date shall be the Maturity Date.
10. If this is a fixed rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (A) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Global Note is denominated in Sterling, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (B) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an “Interest Period” for the purposes of this paragraph 10.
11. If this is a floating rate interest bearing Global Note, interest shall be calculated on the Nominal Amount as follows:
- (A) in the case of a Global Note which specifies €STR as the Reference Rate on its face, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the daily euro short-term rate as the reference rate for the calculation of interest) plus or minus the Margin (if any) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{€STR}_{i-pTBD} \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

Where:

“d” is the number of calendar days in the relevant Interest Accrual Period;

“ d_o ” is the number of TARGET Business Days in the relevant Interest Accrual Period;

“ $\text{€STR}_{i-p\text{TBD}}$ ” means, in respect of any TARGET Business Day falling in the relevant €STR Observation Period, the €STR for the TARGET Business Day falling “p” TARGET Business Days prior to the relevant TARGET Business Day “i”;

“ n_i ” for any TARGET Business Day “i” is the number of calendar days from, and including, the relevant TARGET Business Day “i” up to, but excluding, the immediately following TARGET Business Day in the relevant Interest Accrual Period; and

“ p ” means in relation to any Interest Accrual Period, the number of TARGET Business Days included in the Observation Look-Back Period.

If the €STR is not published, as specified above, on any particular TARGET Business Day and no €STR Index Cessation Event (as defined below) has occurred, the €STR for such TARGET Business Day shall be the rate equal to €STR in respect of the last TARGET Business Day for which such rate was published on the Website of the European Central Bank.

If the €STR is not published, as specified above, on any particular TARGET Business Day and both an €STR Index Cessation Event and an €STR Index Cessation Effective Date have occurred, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date will be determined as if references to €STR were references to the ECB Recommended Rate.

If no ECB Recommended Rate has been recommended before the end of the first TARGET Business Day following the date on which the €STR Index Cessation Event occurs, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after the €STR Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

If an ECB Recommended Rate has been recommended and both an ECB Recommended Rate Index Cessation Event and an ECB Recommended Rate Index Cessation Effective Date subsequently occur, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after that ECB Recommended Rate Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

Any substitution of the €STR, as specified above, will remain effective for the remaining term to maturity of the Notes and shall be published by the Issuer in accordance with paragraph 12.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, (i) the Rate of Interest shall be that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the Rate of Interest shall be

determined as if the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date were references to the latest published ECB Recommended Rate or, if EDFR is published on a later date than the latest published ECB Recommended Rate, the Modified EDFR.

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{SONIA_{i \text{ TRD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

Where:

“d” is the number of calendar days in the relevant Interest Accrual Period;

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified on the face of this Global Note), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual

Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Issue Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

If the Notes become due and payable, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified on the face of this Global Note, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Notes remains outstanding, be that determined on such date.

denominated in Sterling, by 365 or the relevant Day Count Fraction and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);

18. No repayment or payment of the principal amount of, or interest (if any) will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in France and the European Union applicable to the Issuer or other members of its group.
19. Neither a cancellation of the Notes, a reduction, in part or in full, of any principal or interest, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies), which are hereby expressly waived.
20. This Global Note and any non-contractual obligations arising from or connected with it are governed by, and shall be construed in accordance with, English law.

2. All payments in respect of this Note by or on behalf of the Issuer shall be made free and clear of, and without deduction or withholding for or on account of, taxes, levies, duties, assessments or charges of any nature imposed, levied, collected, withheld or assessed by or on behalf of any jurisdiction or any political subdivision or taxing authority of or in any of the foregoing, unless such deduction or withholding is required by law.

If the Maturity Date or, if applicable, the relevant Interest Payment Date is not a Payment Business Day (as defined herein) payment in respect hereof will not be made and credit or transfer instructions shall not be given until the next following Payment Business Day (unless that date falls more than 364 days after the Issue Date, in which case payment shall be made on the immediately preceding Payment Business Day) and neither the bearer of this Note nor the holder or beneficial owner of any interest herein or rights in respect hereof shall be entitled to any interest or other sums in respect of such postponed payment.

As used in this Note:

"Payment Business Day" means any day other than a Saturday or Sunday which is either (i) if the above-mentioned Specified Currency is any currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency or (ii) if the Specified Currency is euro, a day which is a TARGET Business Day; and

5. This Note is negotiable and, accordingly, title hereto shall pass by delivery and the bearer shall be treated as being absolutely entitled to receive payment upon due presentation hereof free and clear of any equity, set-off or counterclaim on the part of the Issuer against any previous bearer hereof.
6. If this is an interest bearing Note, then:
 - (A) notwithstanding the provisions of paragraph 1 above, if any payment of interest in respect of this Note falling due for payment prior to the Maturity Date remains unpaid on the fifteenth day after falling so due, the Final Redemption Amount shall be payable on such fifteenth day;
 - (B) upon each payment of interest (if any) prior to the Maturity Date in respect of this Note, Schedule 1 hereto shall be duly completed by the Issuing and Paying Agent to reflect such payment; and
 - (C) if no Interest Payment Dates are specified on this Note, the Interest Payment Date shall be the Maturity Date.
7. If this is a fixed rate interest bearing Note, interest shall be calculated on the Nominal Amount as follows:
 - (A) interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days or, if this Note is denominated in Sterling, 365 days at the Fixed Interest Rate with the resulting figure being rounded to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards); and
 - (B) the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date is an “Interest Period” for the purposes of this paragraph 7.

8. If this is a floating rate interest bearing Note, interest shall be calculated on the Nominal Amount as follows:

(A) in the case of a Note which specifies €STR as the Reference Rate on its face, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the rate of return of a daily compound interest investment (with the daily euro short-term rate as the reference rate for the calculation of interest) plus or minus the Margin (if any) and will be calculated by the Calculation Agent on the relevant Interest Determination Date, as follows, and the resulting percentage will be rounded, if necessary, to the nearest one ten-thousandth of a percentage point, with 0.00005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{\text{€STR}_{i-p\text{TBD}} \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

“d” is the number of calendar days in the relevant Interest Accrual Period;

“d₀” is the number of TARGET Business Days in the relevant Interest Accrual Period;

“€STR_{i-pTBD}” means, in respect of any TARGET Business Day falling in the relevant €STR Observation Period, the €STR for the TARGET Business Day falling “p” TARGET Business Days prior to the relevant TARGET Business Day “i”;

If the €STR is not published, as specified above, on any particular TARGET Business Day and no €STR Index Cessation Event (as defined below) has occurred, the €STR for such TARGET Business Day shall be the rate equal to €STR in respect of the last TARGET Business Day for which such rate was published on the Website of the European Central Bank.

If the €STR is not published, as specified above, on any particular TARGET Business Day and both an €STR Index Cessation Event and an €STR Index Cessation Effective Date have occurred, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date will be determined as if references to €STR were references to the ECB Recommended Rate.

If no ECB Recommended Rate has been recommended before the end of the first TARGET Business Day following the date on which the €STR Index Cessation Event occurs, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after the €STR Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

If an ECB Recommended Rate has been recommended and both an ECB Recommended Rate Index Cessation Event and an ECB Recommended Rate Index Cessation Effective Date subsequently occur, then the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after that ECB Recommended Rate Index Cessation Effective Date will be determined as if references to €STR were references to the Modified EDFR.

Any substitution of the €STR, as specified above, will remain effective for the remaining term to maturity of the Notes and shall be published by the Issuer in accordance with paragraph 9.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, (i) the Rate of Interest shall be that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the Rate of Interest shall be determined as if the rate of €STR for each TARGET Business Day in the relevant €STR Observation Period occurring on or after such €STR Index Cessation Effective Date were references to the latest published ECB Recommended Rate or, if EDFR is published on a later date than the latest published ECB Recommended Rate, the Modified EDFR.

 - (X) the sum of: (a) the alternate rate of interest that has been selected or recommended by the Relevant Governmental Body as the replacement for the then-current Benchmark for the applicable Corresponding Tenor and (b) the Benchmark Replacement Adjustment,
 - (Y) the sum of: (a) the ISDA Fallback Rate and (b) the Benchmark Replacement Adjustment, or
 - (Z) the sum of: (a) the alternate rate of interest that has been selected by the Calculation Agent or another entity appointed by the Issuer as the replacement for the then-current Benchmark giving due consideration to any industry-accepted rate of interest as a replacement for the then-current Benchmark for U.S. dollar-denominated floating rate notes at such time and (b) the Benchmark Replacement Adjustment.

“Benchmark” means, initially, SOFR; provided that if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred with respect to the SOFR or the then-current Benchmark, then “Benchmark” means the applicable Benchmark Replacement.

“Benchmark Replacement” means the first alternative set forth in the order presented in clause (iii) of the definition of “SOFR” that can be determined by the Calculation Agent or another entity appointed by the Issuer as of the Benchmark Replacement Date.

“Benchmark Replacement Adjustment” means the first alternative set forth in the order below that can be determined by the Calculation Agent or another entity appointed by the Issuer as of the Benchmark Replacement Date:

- (iv) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected or recommended by the Relevant Governmental Body for the applicable Unadjusted Benchmark Replacement;
- (v) if the applicable Unadjusted Benchmark Replacement is equivalent to the ISDA Fallback Rate, then the ISDA Fallback Adjustment;
- (vi) the spread adjustment (which may be a positive or negative value or zero) that has been selected by the Calculation Agent or another entity appointed by the Issuer giving due consideration to any industry-accepted spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of the then-current Benchmark with the applicable Unadjusted Benchmark Replacement for U.S. dollar-denominated floating rate notes at such time.

“Benchmark Replacement Conforming Changes” means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of “Interest Accrual Period”, timing and frequency of determining rates and making payments of interest, rounding of amounts or tenors, and other administrative matters) that the Calculation Agent or another entity appointed by the Issuer decide may be appropriate to reflect the adoption of such Benchmark Replacement in a manner substantially consistent with market practice (or, if the Calculation Agent or another entity appointed by the Issuer decide that adoption of any portion of such market practice is not administratively feasible or if the Calculation Agent or another entity appointed by the Issuer determine that no market practice for use of the Benchmark Replacement exists, in such other manner as the Calculation Agent or another entity appointed by the Issuer determine is reasonably necessary).

“Benchmark Replacement Date” means the earliest to occur of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (vii) in the case of paragraph (1) or (2) of the definition of “Benchmark Transition Event”, the later of (a) the date of the public statement or publication of information referenced therein and (b) the date on which the administrator of the Benchmark permanently or indefinitely ceases to provide the Benchmark; or
- (viii) in the case of paragraph (3) of the definition of “Benchmark Transition Event”, the date of the public statement or publication of information referenced therein.

For the avoidance of doubt, if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination.

“Benchmark Transition Event” means the occurrence of one or more of the following events with respect to the then-current Benchmark (including the daily published component used in the calculation thereof):

- (4) a public statement or publication of information by or on behalf of the administrator of the Benchmark (or such component) announcing that such administrator has ceased or will cease to provide the Benchmark (or

such component), permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component);

- (5) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark (or such component), the central bank for the currency of the Benchmark (or such component), an insolvency official with jurisdiction over the administrator for the Benchmark (or such component), a resolution authority with jurisdiction over the administrator for the Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for the Benchmark, which states that the administrator of the Benchmark (or such component) has ceased or will cease to provide the Benchmark (or such component) permanently or indefinitely, provided that, at the time of such statement or publication, there is no successor administrator that will continue to provide the Benchmark (or such component); or
- (6) a public statement or publication of information by the regulatory supervisor for the administrator of the Benchmark announcing that the Benchmark is no longer representative.

“ISDA Definitions” means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time.

“ISDA Fallback Adjustment” means the spread adjustment (which may be a positive or negative value or zero) that would apply for derivatives transactions referencing the ISDA Definitions to be determined upon the occurrence of an index cessation event with respect to the Benchmark for the applicable tenor.

“ISDA Fallback Rate” means the rate that would apply for derivatives transactions referencing the ISDA Definitions to be effective upon the occurrence of an index cessation date with respect to the Benchmark for the applicable tenor excluding the applicable ISDA Fallback Adjustment.

“New York Federal Reserve” means the Federal Reserve Bank of New York.

“New York Federal Reserve’s Website” means the website of the New York Federal Reserve, currently at <http://www.newyorkfed.org>, or any successor website of the New York Federal Reserve or the website of any successor administrator of SOFR.

“Reference Time” with respect to any determination of the Benchmark means (i) if the Benchmark is SOFR, the SOFR Determination Time and (ii) if the Benchmark is not SOFR, the time determined by the Calculation Agent or another entity appointed by the Issuer after giving effect to the Benchmark Replacement Conforming Changes.

“Relevant Governmental Body” means the Federal Reserve Board and/or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Federal Reserve Board and/or the Federal Reserve Bank of New York or any successor thereto.

“U.S. Government Securities Business Day” or “USGSBD” means any day except for a Saturday, Sunday or a day on which Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in U.S. government securities.

“Unadjusted Benchmark Replacement” means the Benchmark Replacement excluding the Benchmark Replacement Adjustment.

- (C) in the case of a Note which specifies SONIA as the Reference Rate on its face, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the rate of return of a daily compounded interest investment (it being understood that reference rate for the calculation of interest is the Sterling daily overnight reference) plus or minus the Margin (if any) and will be calculated by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified on the face of this Note) on the Interest Determination Date, as follows, and the resulting percentage will be rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards:

$$\left[\prod_{i=1}^{d_0} \left(1 + \frac{SONIA_{i \text{ LBD}} \times n_i}{365} \right) - 1 \right] \times \frac{365}{d}$$

Where:

“d” is the number of calendar days in the relevant Interest Accrual Period;

“d₀” is the number of London Banking Days in the relevant Interest Accrual Period;

“i” is a series of whole numbers from one to d₀, each representing the relevant London Banking Day in chronological order from, and including, the first London Banking Day in the relevant Interest Accrual Period;

“London Banking Day” or “LBD” means any day on which commercial banks are open for general business (including dealing in foreign exchange and foreign currency deposits) in London;

“n_i” means, for any London Banking Day “i”, the number of calendar days from and including such London Banking Day “i” up to but excluding the following London Banking Day (“i+1”);

“Observation Look-Back Period” is as specified on the face of this Note;

“p” means, in relation to any Interest Accrual Period, the number of London Banking Days included in the Observation Look-Back Period, as specified on the face of this Note;

“SONIA”, in respect of any London Banking Day, is a reference rate equal to the daily Sterling Overnight Index Average rate in respect of such London Banking Day as provided by the administrator of SONIA to authorised distributors and as then published on the Reference Rate Screen Page or, if the Reference Rate Screen Page is unavailable, as otherwise published by such authorised distributors, on the London Banking Day immediately following such London Banking Day; and

“SONIA_{i-pLBD}” means, for any London Banking Day “i” falling in the relevant Interest Accrual Period, the SONIA in respect of the London Banking Day falling “p” London Banking Days prior to the relevant London Banking Day “i”.

If, in respect of that London Banking Day “i-pLBD”, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified on the face of this Note) determines that the SONIA is not available on the Reference Rate Screen Page or has not otherwise been published by the relevant authorised distributors, such SONIA shall be: (i) the Bank of England’s Bank Rate (the “Bank Rate”) prevailing at close of business on the relevant London Banking Day; plus (ii) the mean of the spread of the SONIA to the Bank Rate over the previous five days on which a SONIA has been published, excluding the highest spread (or, if there is more than one highest spread, one only of those highest spreads) and lowest spread (or, if there is more than one lowest spread, one only of those lowest spreads) to the Bank Rate.

Notwithstanding the paragraph above, in the event the Bank of England publishes guidance as to (i) how the SONIA is to be determined or (ii) any rate that is to replace the SONIA, the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified on the face of this Note) shall, to the extent that it is reasonably practicable, follow such guidance in order to determine SONIA for the purpose of the Notes for so long as the SONIA is not available or has not been published by the authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent (or such other party responsible for the calculation of the Rate of Interest, as specified on the face of this Note), the Rate of Interest shall be (i) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to that last preceding Interest Accrual Period) or (ii) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on (and excluding) the Issue Date (but applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Accrual Period).

If the Notes become due and payable, the final Interest Determination Date shall, notwithstanding any Interest Determination Date specified on the face of this Note, be deemed to be the date on which such Notes became due and payable and the Rate of Interest on such Notes shall, for so long as any such Notes remains outstanding, be that determined on such date.

- (D) in the case of a Note which specifies EURIBOR as the Reference Rate on its face, the Rate of Interest will be the aggregate of EURIBOR and the Margin (if any) above or below EURIBOR. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the actual number of days in such Interest Period and a year of 360 days.

As used in this Note, “EURIBOR” shall be equal to EUR-EURIBOR-Reuters (as defined in the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc., as amended, updated or replaced as at the date of this Note (the “ISDA Definitions”)) as at 11.00 a.m. (Brussels time) or as near thereto as practicable on the second TARGET Business Day before the first day of the relevant Interest Period (a “EURIBOR Interest Determination Date”), as if the

Reset Date (as defined in the ISDA Definitions) was the first day of such Interest Period and the Designated Maturity (as defined in the ISDA Definitions) was the number of months specified on the face of this Note in relation to the Reference Rate;

(E) in the case of a Note which specifies any other Reference Rate on its face, the Rate of Interest will be the aggregate of such Reference Rate and the Margin (if any) above or below such Reference Rate. Interest shall be payable on the Nominal Amount in respect of each successive Interest Period (as defined below) from the Issue Date to the Maturity Date only, in arrear on the relevant Interest Payment Date, on the basis of the Day Count Fraction specified hereon. As used in this Note, the Reference Rate shall be equal to the Reference Rate which appears on the relevant Reference Rate Screen Page as at the Relevant Time on the Interest Determination Date as each such term is specified hereon;

(F) save as provided above, the Calculation Agent will, as soon as practicable after 11.00 a.m. (Brussels time) on each EURIBOR Interest Determination Date or at the Relevant Time on each other specified Interest Determination Date (as the case may be), determine the Rate of Interest and calculate the amount of interest payable (the "Amount of Interest") for the relevant Interest Period or Interest Accrual Period (as the case may be). "Rate of Interest" means the rate which is determined in accordance with the provisions of paragraph 8(A), (B) (C), (D) or (E) (as the case may be). The Amount of Interest payable per Note shall be calculated by applying the Rate of Interest to the Nominal Amount, multiplying such product by the actual number of days in the Interest Period, or Interest Accrual Period (as the case may be), concerned divided by 360 or, if this Note is denominated in Sterling, by 365 or the relevant Day Count Fraction and rounding the resulting figure to the nearest amount of the Specified Currency which is available as legal tender in the country or countries (in the case of the euro) of the Specified Currency (with halves being rounded upwards);

(G) For the purposes of this paragraph 8,

"Interest Period" means the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Payment Date and each successive period beginning on (and including) an Interest Payment Date and ending on (but excluding) the next succeeding Interest Payment Date;

"Interest Accrual Period" means the period beginning on (and including) the Issue Date and ending on (but excluding) the first Interest Period Date and each successive period beginning on (and including) an Interest Period Date and ending on (but excluding) the next succeeding Interest Period Date; and

"Interest Period Date" means each Interest Payment Date unless otherwise specified on the face of this Note.

(H) the Issuer will procure that a notice specifying the Rate of Interest payable in respect of each Interest Period or Interest Accrual Period be published as soon as practicable after the determination of the Rate of Interest.

9. Notices to holders will be published in a leading English language daily newspaper published in London (which is expected to be the *Financial Times*). Any such notice shall be deemed to have been given on the date of such publication.

10. The determination of any applicable Rate of Interest and/or Amount of Interest by the Calculation Agent for any Interest Period or Interest Accrual Period pursuant to paragraph

8 shall (in the absence of manifest error) be final and binding upon the Issuer and the bearer of this Note.

11. If the proceeds of this Note are accepted in the United Kingdom, the Nominal Amount shall be not less than £100,000 (or the equivalent in any other currency).
12. Instructions for payment must be received at the office of the Issuing and Paying Agent referred to above together with this Note as follows:
 - (A) if this Note is denominated in Japanese Yen, at least two Business Days prior to the relevant payment date;
 - (B) if this Note is denominated in United States dollars, euro or Sterling, at least one Business Day prior to the relevant payment date; and
 - (C) in all other cases, at least two Business Days prior to the relevant payment date.

As used in this paragraph 12, "Business Day" means:

- (1) a day other than a Saturday or Sunday on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in London; and
 - (2) in the case of payments in euro, a TARGET2 Business Day, and, in all other cases, a day on which commercial banks are open for general business (including dealings in foreign exchange and foreign currency deposits) in the principal financial centre in the country of the Specified Currency.
13. This Note shall not be validly issued unless manually authenticated by the Issuing and Paying Agent.
14. Notwithstanding and to the exclusion of any other term of the Notes or any other agreements, arrangements, or understanding between the Issuer and any holder of Notes, by its acquisition of the Notes, each holder acknowledges, accepts, consents and agrees to be bound by:
 - (A) the effect of the exercise of Bail-in Powers by the Relevant Resolution Authority that may include and result in any of the following, or some combination thereof:
 - (1) the reduction of all, or a portion, of the principal amount of, or interest (if any) on, the Notes;
 - (2) the conversion of all, or a portion, of the principal amount of, or interest (if any) on, the Notes into shares, other securities or other obligations of the Issuer or another person, and the issue to or conferral on the holder of the Notes of such shares, securities or obligations;
 - (3) the cancellation of the Notes; and/or
 - (4) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period; and

- (B) the variation of the terms of the Notes, as deemed necessary by the Relevant Resolution Authority, to give effect to the exercise of Bail-in Powers by the Relevant Resolution Authority.

For these purposes:

“Bail-in Powers” means any write-down, conversion, transfer, modification or suspension power existing from time to time under any laws, regulations, rules or requirements in effect in France relating to the transposition of Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms (“BRRD”) as amended from time to time including without limitation pursuant to French decree-law No. 2015-1024 dated 20 August 2015 (*Ordonnance portant diverses dispositions d'adaptation de la législation au droit de l'Union européenne en matière financière*) (as amended from time to time, the “20 August 2015 Decree Law”), Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 (as amended from time to time, the “Single Resolution Mechanism Regulation”), or otherwise arising under French law, and in each case the instructions, rules and standards created thereunder, pursuant to which the obligations of a Regulated Entity (as defined below) (or an affiliate of such Regulated Entity) can be reduced (in part or whole), cancelled, suspended, transferred, varied or otherwise modified in any way, or securities of a Regulated Entity (or an affiliate of such Regulated Entity) can be converted into shares, other securities, or other obligations of such Regulated Entity or any other person, whether in connection with the implementation of a bail-in tool following placement in resolution or otherwise.

A reference to a “Regulated Entity” is to any entity referred to in Section 1 of Article L.613-34 of the French *Code monétaire et financier* as modified by the 20 August 2015 Decree Law, which includes certain credit institutions, investment firms, and certain of their parent or holding companies established in France.

A reference to the “Relevant Resolution Authority” is to the *Autorité de contrôle prudentiel et de résolution* (the “ACPR”), the Single Resolution Board established pursuant to the Single Resolution Mechanism Regulation, and/or any other authority entitled to exercise or participate in the exercise of any Bail-in Powers from time to time (including the Council of the European Union and the European Commission when acting pursuant to Article 18 of the Single Resolution Mechanism Regulation).

15. No repayment or payment of the principal amount of, or interest (if any) will become due and payable or be paid after the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer unless, at the time such repayment or payment respectively, is scheduled to become due, such repayment or payment would be permitted to be made by the Issuer under the laws and regulations in effect in France and the European Union applicable to the Issuer or other members of its group.
16. Neither a cancellation of the Notes, a reduction, in part or in full, of any principal or interest, the conversion thereof into another security or obligation of the Issuer or another person, as a result of the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Issuer, nor the exercise of the Bail-in Power by the Relevant Resolution Authority with respect to the Notes will be an event of default or otherwise constitute non-performance of a contractual obligation, or entitle the Noteholder to any remedies (including equitable remedies), which are hereby expressly waived.
17. This Note and any non-contractual obligations arising from or connected with it are governed by, and shall be construed in accordance with, English law.

The English courts have exclusive jurisdiction to settle any dispute arising out of or in connection with this Note and any non-contractual obligations arising from or connected with it (including a dispute regarding the existence, validity or termination of this Note). The parties to this Note agree that the English courts are the most appropriate and convenient courts to settle any such dispute and accordingly no such party will argue to the contrary.

The Issuer irrevocably appoints Law Debenture Corporate Services Limited at 8th Floor, 100 Bishopsgate, London EC2N 4AG as its agent for service of process in any proceedings before the English courts in connection with this Note. If any person appointed as process agent is unable for any reason to act as agent for service of process, the Issuer will appoint another agent, and failing such appointment within 15 days, the bearer shall be entitled to appoint such a person by written notice addressed to the Issuer and delivered to the Issuer or to the Specified Office of the Issuing and Paying Agent. The Issuer agrees that failure by a process agent to notify it of any process will not invalidate the relevant proceedings. This paragraph 17 does not affect any other method of service allowed by law.

18. No person shall have any right to enforce any provision of this Note under the Contracts (Rights of Third Parties) Act 1999 but this does not affect any right or remedy of any person which exists or is available apart from that Act.
