RISK FACTORS

1/ The paragraph of “**1. Risks relating to the Issuer and its operations**” of the section Risk Factors appearing on page 21 of the Base Prospectus is hereby deleted in its entirety and replaced by the following:

For details on the risk factors relating to the Issuer and La Banque Postale Group refer to pages 153 to 167 of the *Amendment to 2022 Universal Registration Document* (as defined in section of “Information Incorporated by Reference”) which is incorporated by reference into this Base Prospectus.

2/ The risk factor “**The implementation in France of the EU Bank Recovery and Resolution Directive could materially affect the Notes**” in the paragraph “(a) Risks related to the legal framework applicable to the Issuer” of the section “II. Risks relating to the Notes” appearing on pages 21-22 of the Base Prospectus is hereby deleted in its entirety and replaced by the following:

The implementation in France of the EU Bank Recovery and Resolution Directive could materially affect the Notes

Directive 2014/59/EU provides for the establishment of an EU-wide framework for the recovery and resolution of credit institutions and investment firms, as amended by Directive (EU) 2019/879 of the European Parliament and of the Council of 20 May 2019 (the “**Bank Recovery and Resolution Directive**” or “**BRRD II**”), implemented in France by several legislative texts, to provide authorities with a credible set of tools to intervene sufficiently early and quickly in an unsound or failing relevant entity.

If the Issuer is determined to be failing or likely to fail within the meaning of, and under the conditions set by BRRD II, and the relevant resolution authority applies any, or a combination, of the BRRD II resolution tools (e.g. sale of business, creation of a bridge institution, asset separation or bail in), any shortfall from the sale of the Issuer’s assets may lead to a partial reduction in the outstanding amounts of certain claims of unsecured creditors of that entity (including, as the case may be, the Notes), or, in a worst case scenario, a reduction to zero. The unsecured debt claims of the Issuer (including, as the case may be, the Notes) might also be converted into equity or other instruments of ownership, in accordance with the hierarchy of claims in normal insolvency proceedings, which equity or other instruments could also be subject to any future cancellation, transfer or dilution (such reduction or cancellation being first on common equity tier one instruments, thereafter the reduction, cancellation or conversion being on additional tier one instruments issued before 28 December 2020 and additional tier one instruments issued after 28 December 2020 so long as they remain totally or partially qualified as such, then tier two instruments issued before 28 December 2020 and tier two instruments issued after 28 December 2020 so long as they remain totally or partially qualified as such (including, as the case may be, the Subordinated Notes so long as they constitute Tier 2

Capital fully or partly), then other subordinated debts other than capital instruments (such as the Subordinated Notes issued after 28 December if and when they no longer constitute Tier 2 Capital fully or partly), then other eligible liabilities (senior non preferred debt instruments (such as the Senior Non Preferred Notes) before any senior preferred debt instruments (such as the Senior Preferred Notes)). The relevant resolution authority may also seek to amend the terms (such as variation of the maturity) of any outstanding unsecured debt securities (including, as the case may be, the Notes) (as further described in Condition 15 (*Recognition of Bail-in*) of the Terms and Conditions of the Notes.

Public financial support to resolve the Issuer where there is a risk of failure will only be used as a last resort, after having assessed and exploited the above resolution tools, including the bail-in tool, to the maximum extent possible whilst maintaining financial stability.

The exercise of any power under the BRRD II or any suggestion of such exercise could materially adversely affect the rights of the Noteholders, the price or value of their investment in the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes. As a result, Noteholders could lose all or a substantial part of their investment in the Notes.

On 18 April 2023, the European Commission presented a legislative package to adjust and further strengthen the EU's existing bank crisis management and deposit insurance framework by amending the BRRD, the Single Resolution Mechanism Regulation and the Directive 2014/49/EU of the European Parliament and of the Council of 16 April 2014 on deposit guarantee schemes (as amended). The legislative package is subject to further legislative procedures but if it is implemented in its current form, senior preferred obligations (such as the Senior Preferred Notes) would then -rank junior in right of payment to any deposits of the Issuer, including deposits of large corporates and other deposits that are currently excluded from the privileged deposits. As such, there could be an increased risk of an investor in senior preferred obligations (such as Senior Preferred Notes) losing all or some of its investment.

USE OF PROCEEDS

The section “**Use of Proceeds**” appearing on page 208 of the Base Prospectus is hereby deleted in its entirety and replaced by the following:

The net proceeds from the issue of the Notes will (as specified in the applicable Final Terms) be applied by the Issuer either:

- to be used for the Issuer’s general corporate purposes; or
- in the case of Themed Notes, to finance and/or refinance, in whole or in part, new or existing projects included in the Eligible Loan Portfolio, as defined in the relevant Final Terms and as further described in the Issuer’s Framework for issuing green, social and sustainable bonds (as amended and supplemented from time to time) available on the Issuer’s website (<https://www.labanquepostale.com/investisseurs/investisseurs-dette/obligations-vertes-sociales.html>); or
- as stated in the relevant Final Terms in respect of any particular issue of Notes for which there is a particular identified use of proceeds (other than as specified above).

In relation to Themed Notes, the Framework for issuing green, social and sustainable bonds is based on the Green Bond Principles (the “**GBP**”), the Social Bond Principles (the “**SBP**”) and the Sustainability Bond Guidelines (the “**SBG**”), each published by the International Capital Markets Association in its 2021 edition (with the 2022 appendix for the GBP) and in its 2023 edition for the SBP. It may be further updated or expanded to reflect updates to the GBP, SBP or SBG and evolutions in La Banque Postale Group activities. The Framework for issuing green, social and sustainable bonds sets out categories of projects or activities included in the Eligible Loan Portfolio which have been identified by La Banque Postale Group as promoting environmental and/or social positive impact.

The Issuer has appointed Moody’s to provide a second party opinion (the “**Second Party Opinion**”) on the Framework for issuing green, social and sustainable bonds, assessing the environmental and social added value of the Framework for issuing green, social and sustainable bonds and its alignment with the GBP, the SBP and the SBG. The Second Party Opinion document is available on the Issuer’s website (<https://www.labanquepostale.com/en/investors/debt/green-social-bonds.html>).

La Banque Postale intends to produce a reporting annually and to update it upon any material changes that would affect the Eligible Loan Portfolio, until the maturity of the relevant Themed Notes. The reporting will include allocation and impact reporting sections. The allocation reporting will indicate, *inter alia*, the total amount allocated to the various categories of projects or activities included in the Eligible Loan Portfolio.

The reporting will be available on the Issuer’s website (<https://www.labanquepostale.com/en/investors/debt/green-social-bonds.html>).

The Issuer will request, on an annual basis, a limited assurance report of the Eligible Loan Portfolio’s outstanding amount and of the impact reporting.

This assurance will be provided by the Issuer’s auditors and will be included in the Issuer’s annual reporting.

In addition, all references to “Green, Social & Sustainability Bond Framework” in the Base Prospectus should be replaced by “Framework for issuing green, social and sustainable bonds”.
