€10,000,000,000 Euro Medium Term Note Programme for the issue of
obligations de financement de l'habitat*

This prospectus supplement (the “**Prospectus Supplement**”) is prepared in connection with the base prospectus dated 10 June 2014 (the “**Base Prospectus**”) prepared in relation to the Euro Medium Term Note Programme (the “**Programme**”), under which La Banque Postale Home Loan SFH (the “**Issuer**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue *obligations de financement de l'habitat* within the meaning of article L. 513-30, I of the *Code monétaire et financier* (the “**French Monetary and Financial Code**”), benefiting from the statutory *privilège* (priority right of payment) created by article L. 513-11 of the French Monetary and Financial Code (the “**Privilège**”), as more fully described in the Base Prospectus (the “**Notes**”).

The *Autorité des marchés financiers* (the “**AMF**”) has granted visa n°14 – 286 on 10 June 2014 to the Base Prospectus.

The Issuer has prepared this Prospectus Supplement to its Base Prospectus, pursuant to Article 16.1 of the Prospectus Directive and Article 212-25 of the *Règlement Général* of the AMF for the following purposes:

- updating the section “Summary of the Programme” of the Base Prospectus related to the “Selected historical key financial information” (B.12);
- updating the section “Résumé en français du Programme (French Summary of the Programme)” of the Base Prospectus related to the “Informations financières sélectionnées” (B.12);
- incorporating by reference in the Base Prospectus the interim financial report of the Issuer as at 30 June 2014 in the French language and the auditors’ report thereon;
- updating the section “General Information” of the Base Prospectus related to “Significant change in the Issuer’s financial or trading position”.

Terms defined in the Base Prospectus have the same meanings when used in this Prospectus Supplement. Application has been made to the AMF for the approval of this Prospectus Supplement in its capacity as competent authority in France pursuant to article L. 621-8 of the French Monetary and Financial Code which implemented the Directive 2003/71/EC of the European Parliament and of the Council of 4 November 2003 in France, as amended by Directive 2011/73/EU of 24 November 2010 (the “**Prospectus Directive**”).

To the extent that there is any inconsistency between (a) any statement in this Prospectus Supplement or any statement incorporated by reference into the Base Prospectus by this Prospectus Supplement and (b) any other statement in or incorporated by reference in the Base Prospectus, the statements in (a) above will prevail.

Save as disclosed in this Prospectus Supplement, there has been no other significant new factor, material mistake or inaccuracy relating to information included in the Base Prospectus which is material in the context of the Programme since the publication of the Base Prospectus.

To the extent applicable, and provided that the conditions of Article 212-25 I of the *Règlement Général* of the AMF are fulfilled, investors who have already agreed to purchase or subscribe for the Notes to be issued under the Programme before this Prospectus Supplement is published, have the right, according to Article 212-25 II of the *Règlement Général* of the AMF, to withdraw their acceptances within a time limit of minimum two working days after publication of this Prospectus Supplement. This right to withdraw shall expire by close of business on 18 September 2014.

PREAMBLE

The Base Prospectus, as supplemented, constitutes a base prospectus for the purposes of article 5.4 of the Prospectus Directive and contains all relevant information concerning the Issuer which is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position, profit and losses and prospects of the Issuer, as well as the base terms and conditions of the Notes to be issued under the Programme. The terms and conditions applicable to each Tranche (as defined in the section entitled “Summary of the Programme” of the Base Prospectus, as supplemented) not contained in the Base Prospectus (including, without limitation, the aggregate nominal amount, issue price, redemption price thereof, and interest, if any, payable thereunder) will be determined by the Issuer and the relevant Dealer(s) at the time of the issue on the basis of the then prevailing market conditions and will be set out in the relevant Final Terms.

The Base Prospectus, as supplemented, should be read and construed in conjunction with any supplement that may be published from time to time and with all documents incorporated by reference (see section entitled “Documents incorporated by reference”) and, in relation to any Tranche of Notes, should be read and construed in conjunction with the relevant Final Terms.

The Base Prospectus, as supplemented, may only be used for the purposes for which it has been published.

No person is, or has been, authorised to give any information or to make any representation, other than those contained or incorporated by reference in the Base Prospectus, as supplemented, in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer, the Arranger or any of the Dealers (as defined in the section entitled “Summary of the Programme” of the Base Prospectus).

The distribution of the Base Prospectus, as supplemented, and the offering or sale of Notes in certain jurisdictions may be restricted by law. The Issuer, the Arranger and the Dealer(s) do not represent that the Base Prospectus, as supplemented, may be lawfully distributed, or that any Notes may be lawfully offered, in compliance with any applicable registration or other requirements in any such jurisdiction, or pursuant to an exemption available thereunder, or assume any responsibility for facilitating any such a distribution or offering. In particular, no action has been taken by the Issuer, the Arranger or the Dealer(s) which is intended to permit a public offering of any Notes or distribution of the Base Prospectus, as supplemented, in any jurisdiction where action for that purpose is required. Accordingly, no Notes may be offered or sold, directly or indirectly, and neither the Base Prospectus nor any offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations. Persons into whose possession the Base Prospectus or any Notes may come must inform themselves of, and observe, any such restrictions on the distribution of the Base Prospectus and on the offering and sale of Notes. In particular, there are restrictions on the distribution of the Base Prospectus and on the offer or sale of the Notes in the United States of America, the European Economic Area (including the Federal Republic of Germany, France, Italy, Spain, the Netherlands, Switzerland and the United Kingdom) and Japan.

The Notes have not been and will not be registered under the US Securities Act of 1933, as amended (the “Securities Act”) or with any securities regulatory authority of any state or

other jurisdiction of the United States. The Notes may include Materialised Notes in bearer form that are subject to US tax law requirements. Subject to certain exceptions, the Notes may not be offered, sold or (in the case of Materialised Notes), delivered within the United States or to, or for the account or benefit of, United States persons. The Notes are being offered and sold outside the United States of America to non-U.S. persons in reliance on Regulation S under the Securities Act (“Regulation S”).

For a description of these and certain other restrictions on offers, sales and transfers of the Notes and on the distribution of the Base Prospectus, as supplemented, see the section entitled “Subscription and Sale” of the Base Prospectus.

This Prospectus Supplement does not constitute an offer of, or an invitation by or on behalf of the Issuer, the Arranger or the Dealer(s) to subscribe for, or purchase, any of the Notes below.

The Arranger and the Dealer(s) have not separately verified the information contained or incorporated by reference in this Prospectus Supplement. Neither the Arranger nor any of the Dealers makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information contained or incorporated by reference in this Prospectus Supplement. Neither this Prospectus Supplement, the Base Prospectus nor any other information supplied in connection with the Programme (including any information incorporated by reference therein) is intended to provide the basis of any credit or other evaluation and should not be considered as a recommendation by any of the Issuer, the Arranger or the Dealer(s) that any recipient of this Prospectus Supplement, the Base Prospectus or other information supplied in connection with the Programme (including any information incorporated by reference therein) should purchase the Notes. Each prospective investor in the Notes should determine for itself the relevance of the information contained in this Prospectus Supplement and its purchase of the Notes should be based upon such investigation as it deems necessary. Neither the Arranger nor any of the Dealers undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Prospectus Supplement, nor to advise any investor or potential investor in the Notes of any information that may come to the attention of any of the Dealers or the Arranger.

In connection with the issue of any Tranche, the Dealer or Dealers (if any) named as the stabilising manager(s) (the Stabilising Manager(s)) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot the Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Manager(s) (or persons acting on behalf of a “Stabilising Manager(s)”) will undertake any stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche is made and, if begun, may be ended at any time, but it must end no later than the earlier of thirty (30) days after the issue date of the relevant Tranche and sixty (60) days after the date of the allotment of the relevant Tranche. Any stabilisation action or over-allotment shall be conducted in accordance with all applicable laws and rules.

None of the Dealers or the Issuer makes any representation to any prospective investor in the Notes regarding the legality of its investment under any applicable laws. Any prospective investor in the Notes should be able to bear the economic risk of an investment in the Notes for an indefinite period of time.

In this Prospectus Supplement, unless otherwise specified or the context otherwise requires, references to “€”, “Euro”, “euro” or “EUR” are to the lawful currency of the member states of the European Union that have adopted the single currency in accordance with the Treaty establishing the European Community, as amended from time to time, references to “£”, “pounds sterling” and “Sterling” are to the lawful currency of the United Kingdom, references to “\$”, “USD” and “US Dollar” are to the lawful currency of the United States of America, references to “¥”, “JPY” and “Yen” are to the lawful currency of Japan and references to “CHF” and “Swiss Francs” are to the lawful currency of Switzerland.
