This document is confidential and is not to be reproduced by any person, nor to be distributed to any person other than its original recipient. La Banque Postale takes no responsibility for the use of these materials by any person.
- This presentation does not constitute a prospectus or other offering document of securities, in whole or in part.
- This presentation does not constitute or form part of any offer or invitation to sell or issue or any solicitation of any offer to buy or subscribe for any security nor shall it (or any part of it) form the basis of (or be relied on in connection with) any contract or investment decision in relation thereto. Recipients should conduct their own investigation, evaluation and analysis of the information set out in this document and should rely solely on their own judgement, investigation, evaluation and analysis in evaluating La Banque Postale, its business and affairs.
- No representation or warranty, express or implied, is given by or on behalf of La Banque Postale, or any of its directors, officers, employees, advisors, agents, affiliates or any other person as to (a) the accuracy, fairness or completeness of the information or (b) the opinions contained in this document, and, save in the case of fraud, no liability whatsoever is accepted for any such information or opinions.
- The information and opinions contained in this presentation are provided as at the date of this document and are subject to change without notice, although neither La Banque Postale nor any other person assumes any responsibility or obligation to provide the recipients with access to any additional information or update or revise any such statements, regardless of whether those statements are affected by the results of new information, future events or otherwise. All liability (including, without limitation, liability for indirect or economic loss) is hereby excluded to the fullest extent permissible by law.
- Certain statements included in this presentation are “forward-looking”. Such forward-looking statements speak only at the date of this document, involve substantial uncertainties and actual results and developments may differ materially from future results expressed or implied by such forward-looking statements. Neither La Banque Postale nor any other person undertakes any obligation to update or revise any forward-looking statements.
- All written, oral and electronic forward-looking statements attributable to La Banque Postale, or persons acting on its behalf are expressly qualified in their entirety by this cautionary statement.
- This document may contain a number of forecasts and comments relating to the targets and strategies of La Banque Postale Group. These forecasts are based on a series of assumptions, both general and specific, notably – unless specified otherwise – the application of accounting principles and methods in accordance with IFRS (International Financial Reporting Standards) as adopted in the European Union, as well as the application of existing prudential regulations. This information was developed from scenarios based on a number of economic assumptions for a given competitive and regulatory environment.
- La Banque Postale Group may be unable:
  - to anticipate all the risks, uncertainties or other factors likely to affect its business and to appraise their potential consequences;
  - to evaluate precisely the extent to which the occurrence of a risk or a combination of risks could cause actual results to differ materially from those provided in this presentation.
- There is a risk that these projections will not be met. Investors are advised to take into account factors of uncertainty and risk likely to impact the operations of La Banque Postale Group when basing their investment decisions on information provided in this document. Unless otherwise specified, the sources for the rankings are internal.
